California Inspirations

Here at OUM we are proud to be associated with outstanding people; people who inspire us through their achievements, their generosity and the strength of their character. These people embody our Core Values of Respect and Recognition, Trust, Execution, Quality and Community. We would like to honor these people and share their story of how they got to where they are today. We are pleased to announce “California Inspirations”, a monthly profile of an inspirational friend of the firm.

Our first profile is Bill Poland,
Chairman of Bay West Group.
